The Clausing Service Center, Best in the Industry

The Clausing Service Center

Only Clausing maintains a separate Service Center designed solely to support our customers' parts and service needs! Located in Goshen, Indiana, this facility has served as an invaluable resource since 1974.

Over 50,000 Parts

With thousands of parts in our inventory, the Clausing Service Center can provide replacement parts for machines you may have purchased thirty years ago! Lathes, drill presses, sheet metal fabricating equipment... all Clausing products are backed by the friendly and resourceful staff of our Customer Service Department.

95% of all parts orders are shipped within 24 hours!

In this modern age, of course, computers have brought exceptional speed and efficiency to our department. When a customer calls with a problem, our Customer Service Department can check stock immediately and initiate the shipping order while the customer is still on the phone. Within minutes, the parts order can be picked and delivered to the Shipping Department for packing and shipment. RUSH orders get top priority... we know our customers can't afford downtime!

For parts and service, please call the Clausing Service Center.
